Capo, and _____, an individual, or entity appearing through its duly authorized officer or manager, as set forth in the Acknowledgment attached hereto, hereinafter sometimes referred to as "LESSEE." LESSOR leases to LESSEE the Slip and Marina Space designated as Pier # _____ Slip # _____ in the Orleans Marina or South Shore Harbor Marina under the following terms and conditions.

1. TERM

This Lease is for a term of (1) year to coincide with the current Fiscal Year Business Cycle of LESSOR, which begins on July 1, 2011 and terminates on June 30, 2012

2. RIGHT TO ANNUAL RENEWAL

LESSOR grants to LESSEE the right to renew this Lease annually subject to the following specified renewal conditions and rights of LESSOR. LESSEE may only renew this Lease for additional one-year terms, if LESSEE has fully complied with all the obligations of LESSEE under this Lease during the previous annual term of this Lease.

Notwithstanding LESSEE's right to renew this Lease on an annual basis, LESSEE agrees that LESSOR may each year change, revise, amend and/or add additional terms and conditions to this Lease, including but not limited to increasing the annual rental and other charges imposed and changing the insurance requirements under this Lease.

LESSOR shall give LESSEE written notice 30 days prior to the expiration of the annual term of this Lease, if LESSOR elects not to renew this lease because of LESSEE's failure to comply with all of the terms and conditions of this Lease during the previous annual term. LESSEE agrees to give LESSOR written notice 30 days prior to the expiration of the annual term of this Lease, if LESSEE elects not to renew this Lease.

3. RENTAL _____,

LESSEE covenants and agrees to pay LESSOR an annual rental of \$ _____. The rental is due and payable in advance in equal quarterly installments of \$ _____, which

installment payments are due and payable on July 1, October 1, January 1, and April 1, of the Fiscal Year. The rental is due and payable on the dates mentioned above without any notice or invoice from the LESSOR.

In the event that an invoice is sent to the LESSEE, it will be as a notice of late payment, as a courtesy, or a purely discretionary act of the LESSOR, and shall not be considered a condition for the prompt payment of quarterly rental installments.

All rental payments may only be paid by bank draft, electronic transfer or through the following named credit cards: VISA and MASTERCARD. LESSOR will not accept rental payments in cash or by check. LESSEE shall be responsible to keep on file with LESSOR current information on the bank, means of electronic transfer, or credit card account information for payment of rent. If LESSOR's quarterly request for payment is rejected for any reason by any bank or credit card company, LESSEE shall be responsible to pay a fee of \$50.00 in addition to the quarterly rental payment.

All rentals must be paid on the date that it first becomes due and no later than the fifth (5th) day of the month, which begins the quarter when the rental is due. Rental payments not received by the fifth (5th) day of the month as specified above will be considered delinquent. If payment is rejected for a second time, LESSEE shall be responsible to pay a late fee of \$100.00. If the payment is rejected for a third time, the LESSEE shall be responsible for a late fee of \$200.00. The failure of LESSEE to pay rent within ten (10) days of the due date or to pay those costs or charges indicated elsewhere in this Lease by reference to this paragraph shall, ipso facto, entitle LESSOR, without demand or putting in default, to terminate and cancel this Lease and recover any rent due or to seek any other remedy in the event of default as provided under the provisions of Paragraph 13.

4. SECURITY DEPOSIT

LESSOR may require LESSEE to pay a security deposit in the amount of one quarterly rental payment (the "Security Deposit"). No interest will accrue on the Security Deposit, and LESSOR will not be required to keep the Security Deposit in a separate account. If LESSEE fails to perform any of its obligations under this Lease, LESSOR may use, apply or retain all or any portion of the Security Deposit to perform the obligation or to compensate LESSOR for any loss caused by the default. If LESSOR uses, applies, or retains any of the Security Deposit as permitted in this Section, then LESSEE will immediately deliver to LESSOR the amount necessary to restore the Security Deposit to its original amount. On the termination of this Lease, and provided that LESSEE has complied with all of its obligations, LESSOR will return the remainder of the Security Deposit to LESSEE.

5. SUBLEASE AND ASSIGNMENT

LESSEE may not sublease, transfer or assign any portion of the rights, privileges, or obligations of this Lease without the written consent of LESSOR. If LESSOR approves a sublease or assignment, LESSEE shall be responsible to pay a transfer fee equal to one quarterly rental

payment due under this Lease.

6. LESSEE IMPROVEMENTS

LESSEE shall not make any additions or alterations whatsoever to the premises without written permission of the LESSOR. All additions, alterations, or improvements made by LESSEE, no matter how attached, shall remain the property of LESSOR. LESSEE expressly waives all rights to compensation for any such improvements; however, LESSOR, at its option, may refuse such improvements and require the premises to be placed in its original condition. LESSEE shall not place any items on piers or catwalks, which are considered safety or trip hazards by LESSOR.

7. LIVE ABOARD POLICY

- g. Persons living aboard agree to accept existing facilities as they are when they originally register as live aboards.
- h. LESSOR reserves the right to disqualify any vessel for live aboard status if, in the LESSOR's judgment, the vessel provides unsuitable habitation for the intended users. The Live Aboard permit may be revoked at any time by the LESSOR or his/her designee issued directive including rent delinquency and violations of LESSOR rules and regulations and or Local, State and Federal laws/regulations.

i. All live aboard vessels shall comply with LESSOR regulations and policies and Local, State and Federal laws.

j. Only two vehicles may be parked on the LESSOR premises for each live aboard vessel and must be kept in operational condition at all times. The vehicle shall display a compliant Marina tag/decal, which shall be placed behind the rear view mirror.

8. NATURAL OCCURRENCES

LESSEE acknowledges that the Leased Premises are located on the unprotected or flood side of the Orleans Levee District Flood Protection System, and therefore are subject to flooding, and exposed to the hazardous weather which may prevail from time to time in Lake Pontchartrain; and, LESSEE assumes full responsibility for damages or other consequences that may result from natural hazards and/or the lack of flood protection and releases LESSOR from any responsibility or liability in connection therewith.

9. DAMAGE TO VESSELS, PIERS AND ENVIRONMENT

LESSEE shall be liable for damages caused by LESSEE to slips, piers, catwalks or dock boxes and shall be liable for any such cost, repair, and/or replacement of property in the marina damaged by LESSEE. In the event that LESSEE fails to pay for the costs of damage to piers, walks, slips, vessels/boats, dock boxes or any property located in the LESSOR area within five (5) days after demand is made by the LESSOR, this agreement may be terminated immediately at LESSOR's option. LESSOR shall also be entitled to recover from LESSEE the costs of such repairs, and reasonable attorney fees, costs, and expenses incurred by LESSOR in enforcing its rights under this paragraph of this Lease against LESSEE.

LESSEE shall not release or permit to be released, by action or inaction, any hazardous waste or environmentally objectionable substances, including oil, gasoline or untreated sewage (Hazardous Substances), into the water or land of the Marina. The costs for which LESSEE may be responsible include, but are not limited to the costs of booms, absorbent pads disposal of the Hazardous Substance, clean up oversight by governmental agencies, and LESSOR personnel and any reasonable attorney's fees and costs incurred in defense of any violations. LESSEE shall be responsible for reporting and cleaning up any such release of substances as specified herein above. LESSEE shall report any release of substances as specified to the LESSOR and shall keep LESSOR informed on a daily basis of LESSEE's actions with respect to any clean up.

If LESSOR is not satisfied, in LESSOR'S sole discretion, with LESSEE's actions in reporting and cleaning up a release of substances as specified above, LESSOR may take, at LESSEE's expense, any action it deems appropriate regarding the release. This provision is in addition to, and not in lieu of, the indemnity provision set forth in this Lease. LESSEE agrees to act in a prudent manner to separate hazardous from non-hazardous wastes as defined by the United States Environmental Protection Agency. LESSOR shall provide separate containers at suitable locations for this purpose. Failure to comply with this provision shall constitute a violation of this Lease and LESSEE shall be liable for any related damages and fines as provided by law and

shall constitute a violation of this Lease and shall be grounds for termination of this agreement as specified in Paragraph 13.

10. DUTY TO KEEP THE PREMISES CLEAN

LESSEE shall keep the premises clean and free of rubbish and in a sanitary condition. LESSOR shall provide containers or receptacles for garbage, refuse or waste. No garbage, refuse or waste shall be dumped into the Marina. The failure to maintain the premises in a clean and sanitary condition, and the dumping of garbage, refuse or waste into the Marina shall constitute a violation of this Lease and shall be grounds for termination of this agreement as specified in Paragraph 13.

11. SUNKEN OR WATERLOGGED VESSELS

If any boat/vessel owned or used by or under the control of LESSEE or his or her guests should sink or become waterlogged in the Marina, it shall be the responsibility of the LESSEE to have it raised immediately. If any boat/vessel owned or used by or under the control of LESSEE or his or her guests should take on water and be in danger of sinking, LESSEE shall be responsible to take any action necessary at LESSEE's cost to avoid said boat/vessel from sinking.

It is the LESSEE's exclusive responsibility to pay for any and all financial obligations incurred as a result of sunken or waterlogged boats/vessel and any costs related to action taken to avoid a boat/vessel from sinking in the LESSOR. If, after twenty-four (24) hours prior notice by LESSOR, the boat/vessel has not been raised or action taken by LESSEE to prevent a vessel from sinking, LESSOR reserves the right to undertake the raising of said boat/vessel and to take any action necessary to prevent a vessel from sinking in the LESSOR. Any expenses or costs incurred by the LESSOR in the raising of such boats/vessels or any other action authorized under this paragraph shall be reimbursed by the LESSEE.

LESSEE agrees to hold LESSOR harmless, defend and indemnify LESSOR from any damages, which may occur as a result of the raising of any such boat/vessel or as a result of any other action taken by LESSOR authorized under this paragraph. LESSEE further agrees that the obligations of the LESSEE to hold forever harmless, defend and indemnify the LESSOR, as required under the terms of this paragraph, shall be effective and enforceable by the LESSOR against LESSEE upon notice given by LESSOR to LESSEE of any said liabilities, claims, demands or lawsuits asserted by any party or persons against the LESSOR arising from and/or related to, or in any way connected with LESSEE's obligations under this paragraph. Without notice to the LESSEE as specified above, LESSOR may elect to raise the vessel/boat for reasons of public health and public safety. If, after demand, LESSEE fails to reimburse LESSOR for the cost of raising the vessel/boat, LESSOR may terminate this agreement without further notice, and as provided under Paragraph 13.

12. LAWFUL USE OF THE PREMISES

Unlawful use of the Leased property in violation of any law shall give the LESSOR the right to immediately institute legal action to cancel this Lease without notice to or placing LESSEE in default prior to the institution of said legal action.

13. DEFAULT PROVISIONS

LESSEE's failure to comply with any of the provisions or conditions of this Lease, or violation of any Rules or Regulations established for the LESSOR, shall be cause for termination of this Lease agreement. In the event of such an occurrence, except for ipso facto default matters, i.e., failure to pay rent, failure to pay those costs or charges indicated elsewhere in this Lease, and failure to keep on file with LESSOR proper insurance certificates, LESSOR shall give LESSEE notice in writing, setting forth the nature of the breach committed by LESSEE. LESSEE shall have ten (10) days from the date of said notice to remedy the breach set forth in said notice. Upon LESSEE's failure to timely remedy any such breach, LESSOR may, at its option, terminate this Lease, reserving unto LESSOR all rights against LESSEE for breach of this Lease, and to collect any sums due or retain any sum paid hereunder, until such time as a new lease for the slip is executed on terms equal to those set forth herein is effective.

LESSEE expressly agrees that the LESSOR will suffer damage as a result of any breach of this Lease by LESSEE, whether said breach is cured or not within the ten (10) day grace period, and, accordingly, LESSEE consents and agrees to pay an administrative fee equal to one quarters rental due under this Lease in the event of any such default. Failure to pay said fee shall constitute an additional default and LESSOR shall have the option of canceling this lease without further notice or formality.

In addition to any and all rights granted to LESSOR under this Lease in the event of a default by LESSEE, LESSOR shall be entitled to exercise any and all rights upon a default by LESSEE authorized under any existing law or law hereinafter enacted providing for remedies available to a LESSOR upon default by a LESSEE.

14. LESSEE'S INSURANCE OBLIGATIONS

LESSEE shall furnish LESSOR, at LESSEE's expense, with a policy or policies of Public Liability and Property Damage insurance of not less than \$300,000 or in such amount as may be determined by the LESSOR. LESSEE policy must include Comprehensive & Collision Coverage for salvage. LESSOR will notify the LESSEE no later than sixty (60) days prior to the effective date of any change in the amount and type of coverage. Said policy must list the Orleans Levee District as an Additional Insured. The LESSEE must be the named insured. Such insurance shall be designated to protect the public generally, and the LESSOR in particular, from claims arising out of injury or death to persons and damage to property resulting from accidents and/or fires. The accidents or fire to be covered are those occurring anywhere within the LESSOR's Marina and caused by an act or omission of the LESSEE, its officers, agents, employees, contractors or

persons, firms or corporation otherwise associated with LESSEE.

LESSEE agrees to have his/her vessel insured by the required liability insurance and to be held responsible for damage caused to other vessels in Orleans Marina or South Shore Harbor Marina or to the structure thereof. LESSOR assumes no responsibility for the safety of any vessel docked at Orleans Marina or South Shore Harbor Marina and will not be liable for fire, theft, or damage to said vessel, its equipment or any property in or on said vessel, however rising.

LESSEE acknowledges that he/she has been advised that the LESSOR makes no representation or warranty offers LESSEE or LESSEE's vessel a safe berth, or that LESSOR offers the safest available refuge. LESSEE and his/her vessel are fully responsible for all of the consequences of the vessel's continuing presence in the Marina as set forth in this Agreement. LESSEE agrees to hold LESSOR harmless in the event claims for damage to other persons or property arise from the presence of LESSEE's vessel in Marina. LESSEE has produced evidence of, or has covenanted and agreed that he/she has in full force and effect, and LESSOR has relied upon:

- (a) a marina hull insurance policy of a Named perils" "all risk" for the value of the vessel.
- (b) a third party liability policy, also known as a P & I policy. LESSEE agrees that he/she is fully responsible for arranging for the safety and protection off his/her boat and appurtenances.

LESSEE authorizes LESSOR to remove his/her vessel from Marina, at LESSEE's expense , if LESSEE fails to remove said vessel after receiving notice from the LESSOR that the vessel is imperiled or represents a threat of damage to LESSOR property or to property of a third party.

Certificates of insurance as provided for and required by the conditions of this Lease Agreement shall be presented to the LESSOR prior to execution of this Lease Agreement and said policy or policies of insurance shall be maintained throughout the term of this Lease Agreement.

The failure of the LESSEE to provide Proof of Insurance in the required types and amounts of coverage shall be sufficient basis for LESSOR's refusal to execute a lease and/or to immediately terminate any existing lease. Furthermore, LESSEE's insurer shall provide LESSOR with any and all notices of change in any nature of the referenced insurance coverage's, as well as any cancellation or non-renewal thereof. LESSEE's failure to provide proof of satisfactory replacement coverage upon notification of cancellation or non-renewal shall be grounds for immediate termination of this Lease.

15. INDEMNIFICATION

LESSEE accepts the property in its present condition and assumes responsibility for the condition of the leased premises and agrees that LESSOR shall not be liable for injury or damage caused by any vice or defects therein to LESSEE or anyone on the leased premises who derives his or her right to be thereon from the LESSEE. LESSEE agrees that LESSOR, its agents, employees and assigns shall not be liable for any damage, loss, destruction, theft, or deterioration of or to any boat/vessel, or any article or thing associated with attached thereto or left thereon, or the contents thereof, from any cause whatsoever including but not limited to rising water, fire,

wind, collapsed structures, except for such damage resulting from the gross negligence or intentional acts of LESSOR.

LESSEE further assumes full responsibility for any and all liabilities for injuries or damages arising from, related to or growing out of the occupancy, presence upon, or use of the Leased Premises by LESSEE or any person, including but not limited to that caused or allegedly caused by vices or defects in the Leased Premises or LESSOR's alleged negligence or under any theory of law under which LESSOR could be held responsible, including strict or absolute liability, or as a result of any negligence on the part of LESSEE, LESSEE's agents, employees, invitees, licensees or representatives, to the fullest extent permitted by law ("indemnified claim(s)"). LESSEE agrees to hold forever harmless, defend and indemnify LESSOR against any and all such liabilities, claims, damages, causes of action, cost and reasonable expenses, including reasonable attorney's fees, asserted against LESSOR and its officers, officials, employees, agents, and representatives.

The obligations assumed hereunder by the LESSEE to defend, indemnify and hold forever harmless LESSOR against any and all liabilities or claims that may arise out of the occupancy of the Leased Premises by LESSEE shall include any injury or damages to any person or property occurring on the Leased Premises or on any common areas in the Orleans LESSOR or occurring off the Leased Premises.

LESSEE further agrees that the obligations of the LESSEE to hold forever harmless, defend and indemnify the LESSOR, as required under the terms this paragraph, shall be effective and enforceable by the LESSOR against the LESSEE upon written notice given by the LESSOR to the LESSEE of any said liabilities, claims, demands or lawsuits asserted by any person against the LESSOR.

It is expressly agreed that if any clause or provision of this Lease excluding or limiting the liability of the LESSOR is held to be illegal or unenforceable by any Court, that said clause or provision shall be deleted and the balance of such clauses and provisions of this Lease shall be interpreted as if the deleted provision never existed. It is further expressly agreed that if any illegal or unenforceable clause or provision may be reformed by any Court, that said provision shall be reformed to afford the intended protection to the LESSOR. Further, it is expressly agreed that the invalidity of any clause or provision limiting the liability of the LESSOR shall have no effect upon the obligations of the LESSEE to indemnify, hold forever harmless and defend the LESSOR from any indemnified claim.

The obligations of the LESSEE under this paragraph shall survive the expiration or termination of this Lease.

16. LESSEE'S CONTRACTORS

LESSOR, through the sole discretion of its Marina Manager, may prohibit a contractor, or said contractor's workers and laborers, from entering the property of LESSOR, should said contractor

fail to provide a certificate of insurance which demonstrates coverage for personal injury or death, bodily injury, property damage, and worker's compensation, or should said contractor misrepresent that it has complied with LESSOR'S insurance requirements. Violation by LESSEE'S contractor of these requirements shall be sufficient basis for LESSOR to immediately terminate any existing lease. The LESSEE further agrees that the obligations of the LESSEE to hold forever harmless, defend and indemnify the LESSOR, as required under the terms of this Lease, shall be effective and enforceable by the LESSOR against the LESSEE upon notice given by the LESSOR to the LESSEE of any said liabilities, claims, demands or lawsuits asserted by any party or third persons against the LESSOR arising from and/or related to, or in any way connected with this Lease. LESSEE agrees to only use contractor or service personnel who register at the LESSOR Office and produce proof of insurance in accordance with the LESSOR rules prior to working on any vessel.

17. CONTRABAND AND RELATED MATTERS

Possession of contraband and prohibited items or substances, including but not limited to illegal drugs and narcotics, unlicensed weapons which require a license, unlawful weapons are prohibited. The LESSOR has a policy of cooperation with local, state and federal agencies, including the U.S. Coast Guard in the execution of its "ZERO TOLERANCE" responsibilities and will grant such agencies access to the facilities of the LESSOR for lawful pursuit of their enforcement responsibilities. The arrest of LESSEE or LESSEE guest(s) or crew by any agency for suspected offense covered by this provision may result in termination of the Slip/Lease Rental Agreement prior to final legal disposition.

18. FIRES, FUELING AND DANGEROUS CONDITIONS

A. The use of charcoal burners, gas welders, gas torches or any open flame-producing equipment is prohibited. Cooking aboard vessel is permitted if electric, propane or CNG gas stoves are used, unless otherwise prohibited by such authority as fire regulations of the U.S. Coast Guard. LESSEE is responsible for assuring that his/her vessel does not discharge, either by venting or by overflowing the filler, into Marina waters. Precautions must be taken to catch or absorb any overflow.

D. In case of fire, at Orleans Marina use the fire pull boxes located along the piers.

Then call 911. Give the operator the location of the fire, pier & slip number along with the street address of the respective Marina. In the event that it becomes necessary for LESSOR to employ an attorney in order to enforce compliance with any of the terms and provisions of this lease, or seek a remedy in connection with a breach of any of the covenants, obligations, or conditions of this lease agreement, LESSEE agrees to pay reasonable attorney's fees and other reasonable costs associated with the enforcement or the pursuit of a remedy. In order to reduce the costs of such legal fees, LESSEE specifically waives the right to receive a Notice to Vacate and understands and agrees that upon termination of this Lease and of LESSEE's right of occupancy, for any reason, LESSOR may immediately institute eviction proceedings in accordance with Chapter 2 of Title XL of the Louisiana Code of Civil Procedure.

20. LESSOR RULES

LESSEE specifically agrees to abide by the Rules and Regulations for the Administration and Operation of South Shore Harbor Marina and Orleans Marina, the provisions of which are specifically incorporated herein by reference in their entirety, as additional conditions and obligations of the LESSEE, pursuant to this Lease. It shall be LESSEE's responsibility to obtain any future revisions to the Rules and Regulations from the Office of Marina Manager. 21. REMOVAL OF VESSEL UPON TERMINATION OF LEASE

Upon the expiration or earlier termination of this Lease, LESSEE shall remove its boat/vessel from the Marina within twenty-four (24) hours, and failing to do so LESSEE agrees that LESSOR may impose the prevailing daily transient dockage fee. Failure to register a boat/vessel as specified above shall constitute a violation of this lease agreement and shall be the basis for the termination of this Lease in accordance with Paragraph 13 above.

26. NO RIGHT TO SPECIFIC SLIP

Nothing in this Lease shall be construed as granting to the LESSEE a right to a specific slip. All slips and berths shall be allocated and designated by the LESSOR, in its sole discretion, as it deems appropriate.

27. VACANCY OF SLIP OR BERTH

In the event LESSEE vacates the slip or berth for a period of time exceeding three (3) days, LESSEE agrees and covenants to notify LESSOR through the LESSOR Manager not less than twenty four (24) hours prior to such vacancy. It is specifically agreed by the parties, and LESSEE authorizes LESSOR full and unrestricted use of electricity during such absences. All charges for electricity shall be

pro-rated between the LESSOR and LESSEE in proportion to their respective usage during the vacancy.

28. NON RENEWAL OF LEASE

Although LESSEE has, a right to renew annually nothing in this Lease shall be construed as a continuing obligation of the LESSOR to renew this Lease for successive terms. It is understood and agreed that LESSEE's lease will not be renewed if: (i) LESSEE fails to own a boat/vessel, or (ii) LESSEE fails to moor its boat/vessel in the leased slip and owns a boat/vessel suitable for the assigned slip for a period of time not less than three (3) months out of the twelve (12) months of the term of this Lease without LESSOR consent, or (iii) LESSEE fails to comply with any of the obligations of LESSEE under the terms of this Lease.

29. SEVERABILITY

If any one or more of the provisions contained in this Lease, or added thereto, shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision of this Lease, but it shall be construed as if such invalid, illegal or unenforceable provision has never been contained herein.

In either event, such fees are due and owing on the day and time that such transfers and cancellations are granted.

LESSEE agrees that it will not cause the cancellation of this Lease without first having provided thirty (30) days written notice to the LESSOR. In the event that the LESSEE fails to provide notice of cancellation of this Lease as provided in this paragraph, LESSEE agrees to pay an amount equal to the balance of the lease term.

31. VESSELS IN DANGER AND TAKING ON WATER

In the event a LESSEE'S boat/vessel is taking on water and/or is in danger of sinking and LESSEE cannot be contacted, LESSOR will pump out said boat/vessel and contact LESSEE, advising of this remedial action. Upon submission of invoice by LESSOR for charges and costs incurred as specified in this paragraph, LESSEE agrees to pay all costs associated with this action without any further notice or discussion. Failure to pay such cost upon demand shall constitute a breach of this agreement pursuant to Paragraph 13 above.
